

Member of the Month - Brandy Jo Frei, CAE

NAME: Brandy Jo Frei, CAE - Executive Director

Undergraduate School: University of North Dakota - Bachelor of Accountancy

Any additional training: CAE - Certified Association Executive

Current Position: NDAFP Executive Director

Years in this Position: 15

Family: Husband - Dan Children - Emmalia, Parker, & Cooper

Career Questions:

1. Who is someone along your path that inspired you and why? There was one of my accounting instructors that said to choose a job that you love to do. Don't choose a job just because of the paycheck. I feel that Family Physicians can relate to this as well.
2. If you weren't an Executive Director for the NDAFP, what do you think you would be doing? I think I might be an event planner. I seem to be fairly good at coordinating chaos.
3. What is the best part of your current position? The Family Physicians
4. What makes our mission meaningful to you? Promoting excellent health care for all North Dakotans is very challenging but very rewarding.
5. What advice would you give to a young physician starting out? Family Medicine has so many options for practice style, and patient base that the opportunities are truly endless.

Fun Questions:

1. Where's your favorite place in the world? With my family
2. The last book you read? Girl, Stop Apologizing - Rachel Hollis
3. What are you currently binge watching? Castle
4. Which superpower would you most like to have? Mind reading
5. How many states have you visited? 28
